Poll Time!

Please log into MentiMeter to tell us how you use Zoom in your classroom.

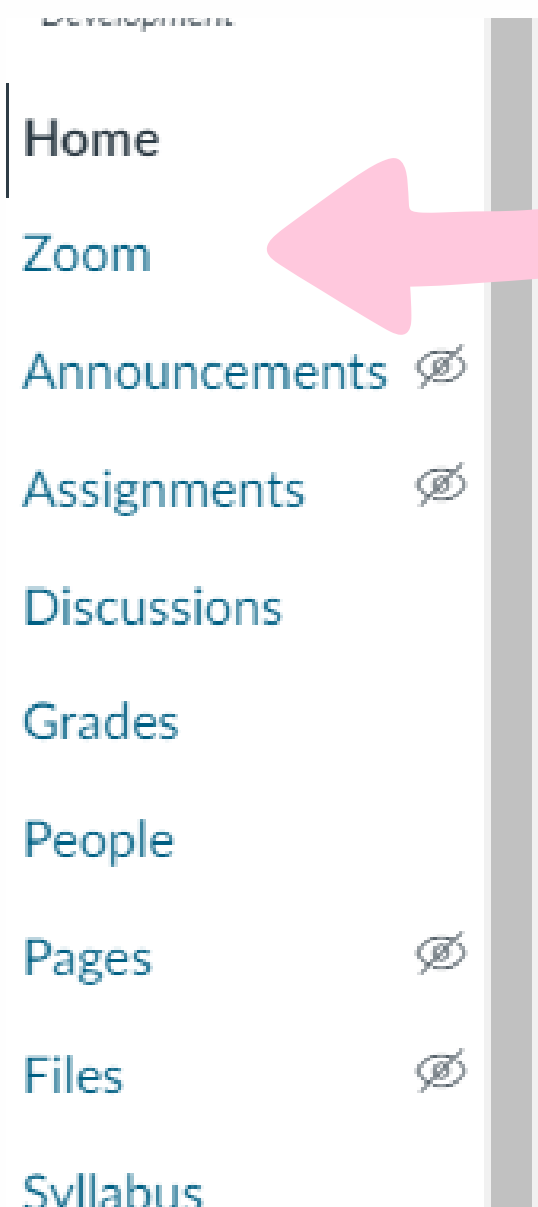

Utilizing Zoom in your Classroom

- One of the Main utilization of Zoom in the classroom is to hold live lectures in your blended or synchronous online courses.
- Record lectures for your asynchronous online classrooms
- Record live lectures/notes to upload for your Face-to-Face or blended classes for students for study and review.
- Open Office hours to meet with students.
- Tutoring sessions with students.

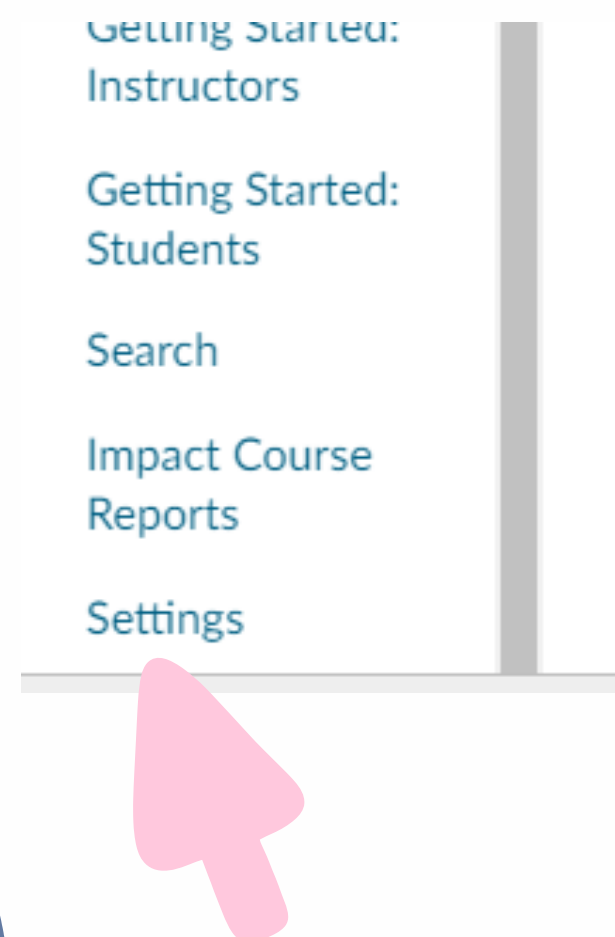

Steps on how to set up your Zoom meetings

Lets take you through the steps!

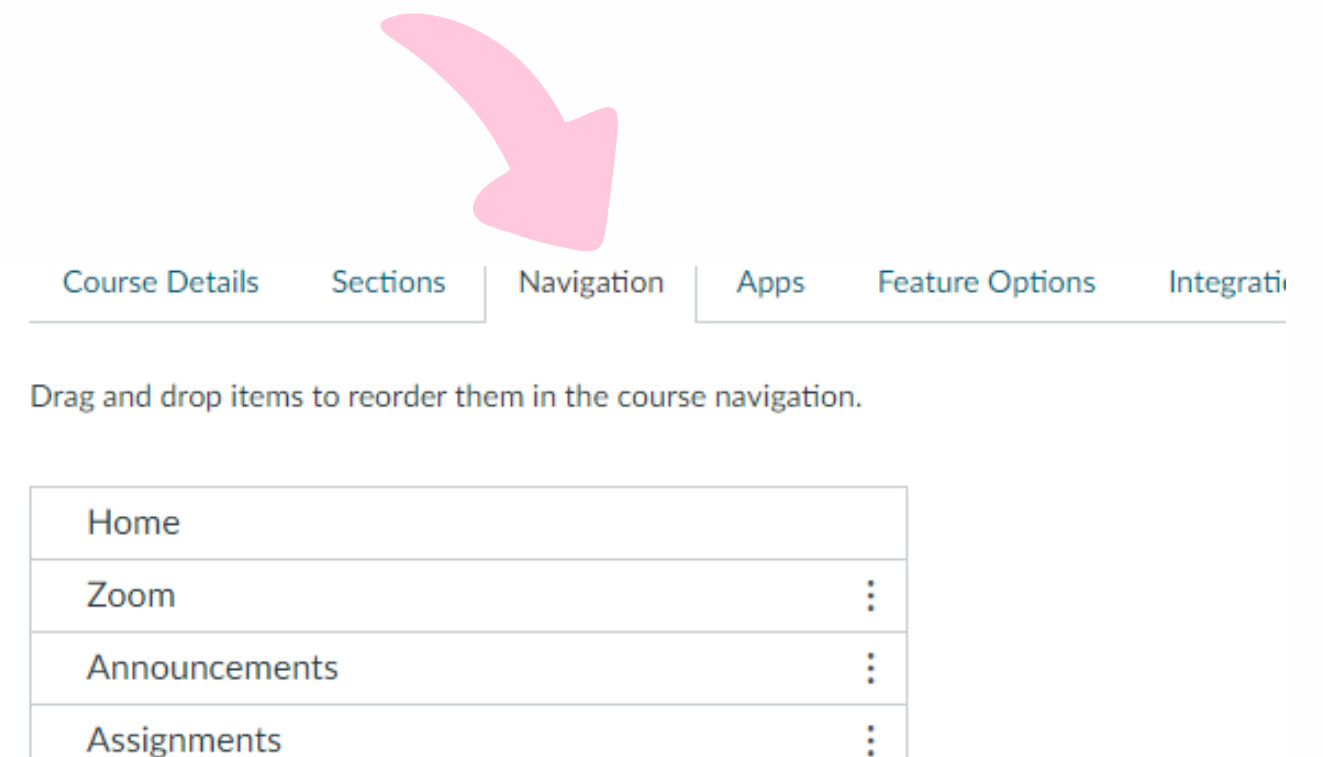

After you log into Canvas, click on the Zoom Link in the Navigation menu.

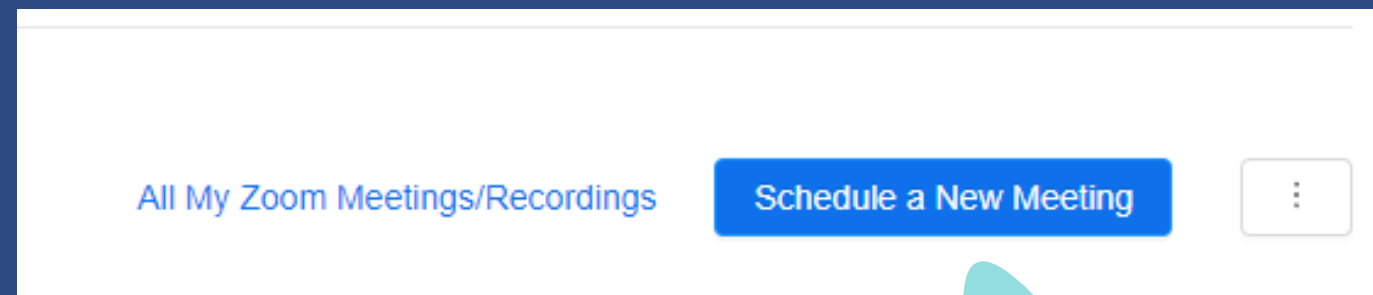

If you do not see it, click on the “Settings” link at the bottom of the Navigation menu

Click on the “Navigation” tab and drag the Zoom link to your Navigation Menu

Once you are in your Zoom page within Canvas, click on the “Schedule a New Meeting” button

Once you are on the Schedule screen, enter in the Topic, Date/Time of class and Meeting Duration

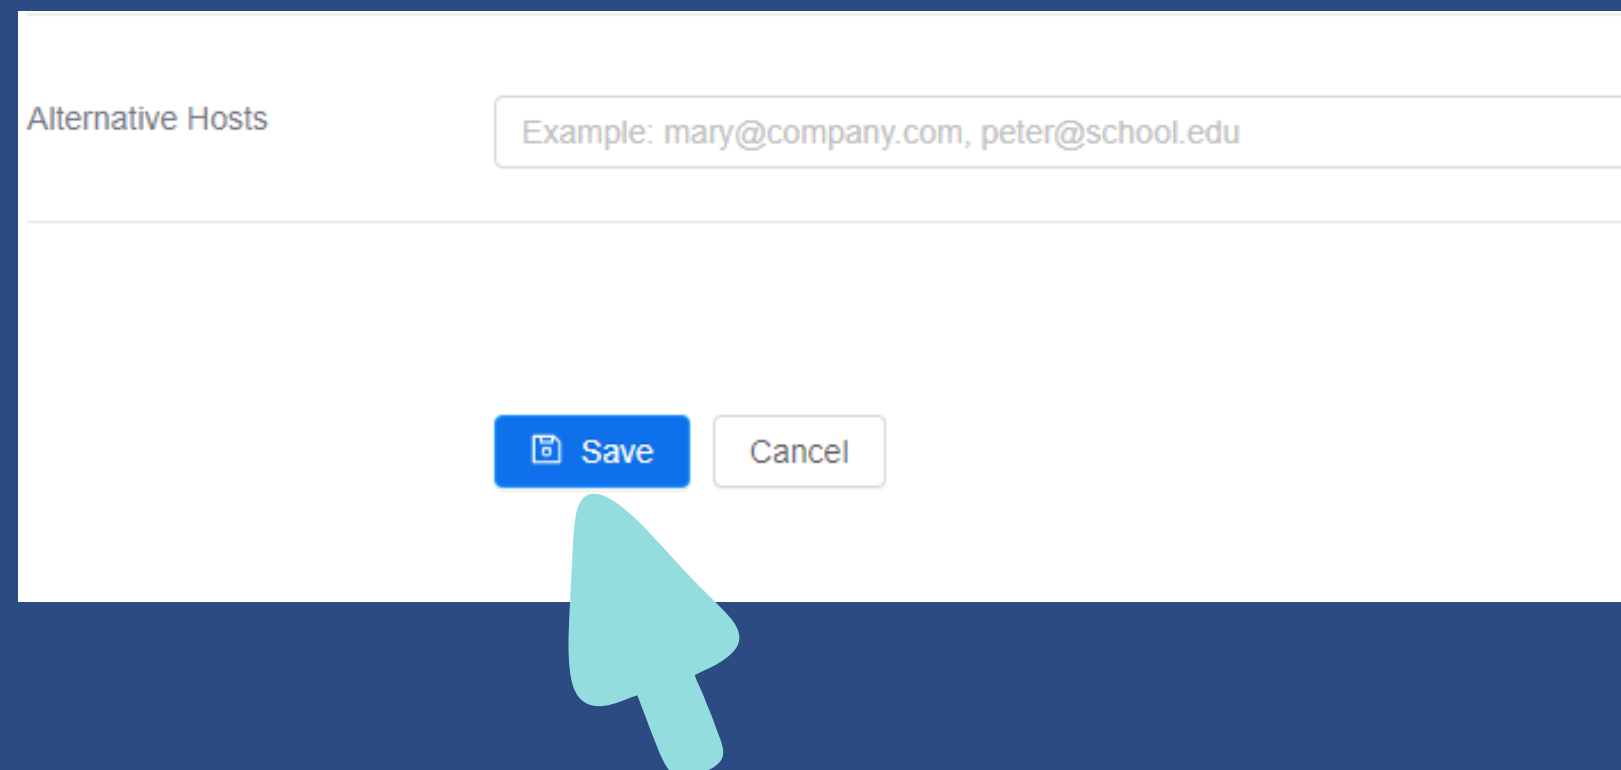

If applicable, click on the “Recurring meeting” checkbox and select appropriate timeframe

Other Details To Consider.....

1. Set a Passcode for your meetings
2. Eliminate the waiting room.
3. Do you want to have participants to have their cameral on?
4. Do you want students to be able to join before the host?
5. Do you want to record your meetings?

Once you enter in all details of your meeting, click the blue “Save” button at the bottom of the screen. Then you are done!

A screenshot of a web form titled "Alternative Hosts". The form has a text input field containing the placeholder text "Example: mary@company.com, peter@school.edu". Below the input field, there are two buttons: a blue "Save" button with a document icon and a white "Cancel" button. A large, light blue cursor icon is pointing at the "Save" button.

Congratulations
you have
Successful created
your Zoom meeting
for your class!

What have you learned?

- 1. What link to click on to add Zoom to the Navigation Menu in your Canvas course?
